Mayor's Report

Mayor DiCicco reported we have received a lot of positive feedback on our Citizen of the Year, Erin Sipos. Mrs. Sipos started the MAC Foundation.

This year's Gold Residents class will have 8 new recipients.

Moe's Southwest Grill hosted a First Responders Day on June 13. They did a very nice job.

AECOM Connectivity Study presented a summary of the results they are finalizing to Council at the last meeting. It's a very interesting report and the final presentation will be made public soon. The study is in reference to what can be done in the long term to connect us with our neighbors via Gates Mills Blvd, the corporate park, our green spaces and retail areas to a large loop that includes the Metro Parks.

Recreation Director's Report

Director Ward reported that Unity Days are here... he then reviewed the weekend volunteer schedule with the members.

Director Ward then spoke about our Recreation Survey and the importance of getting results beginning at Unity Days.

Old Business

Director Ward, Mr. Weiner and Mr. Kelbel reviewed the needs for participating in the parade including the play list Ms. Rogaliner set up via the iPhone.

New Business

Director Ward invited the committee members to join us for our next Parks & Recreation meeting on July 23 for the walk in the park. Ms. Rogaliner will inform members of the times of the next meeting and location for the walk.

There being no further business, a motion to adjourn was made by Mr. Weiner and second by Mr. Kelbel. The meeting was adjourned at 4:30 p.m.

Respectfully submitted,

Patty Rogaliner, Secretary
