Children entering kindergarten in 2021

An excellent program for children entering kindergarten in September 2021. Instruction given by a qualified adult along with our community safety forces. Children will learn essential elements in such areas as fire, stranger danger, poison, and school bus safety. Participants will be required to follow all state pandemic guidelines. We reserve the right to request a copy of kindergarten registration.

If your child is attending Mayfield Heights Day Camp for all 9 weeks we will assign them to a session.
