July 11- July 15, 2022

Session 2: Issue 3

We have made it to the final week of TAC '22!

Weekly Reminders:

- ◆ The schedule may change due to weather- always be prepared
- ◆ Bring (and wear) sunscreen daily
- ◆ Dropoff is between 8:25-8:30 each day
- ◆ You do not have to report absences

Lots of important info in this newsletter- please read it!!

Monday: Downtown and Edgewater Beach

We will be exploring downtown today. Money can be brought to buy snacks and lunch or campers can wait until the afternoon when we get to the beach if they pack. Lots of walking around in the morning, so tennis shoes make sense (at least to me)

Tuesday: Waldameer

We head to the waterpark/amusement park combo for the day. Lunch can be packed and eaten in the amusement park- but not the waterpark. It is a cashless park, so campers will have to convert cash to a card at a kiosk. We will return at 5:00 today.

Wednesday: Mayfield Hts Day

We will be at the park today for sports, lunch and swimming. Pizza and snacks will be provided. Campers are to be dropped off and picked up in front of M Hts pool near the playground when you pull in.

Thursday: Crocker Park and Huntington Beach

We will be starting the day with some shopping and eating options in Westlake and then heading to the beach. Lunch may be purchased or packed today.

Friday: Rafting in PA- PLEASE READ ALL OF THIS CAREFULLY:

We will leave at 7 this morning- do not be late. Campers must be dressed for rafting (swimsuits, water shoes that will not fall off) upon arrival since we will get off the bus and get on the river. They can bring snacks for the bus. They must bring a change of clothes for the return trip home. They will be provided with lunch but must bring money for dinner. All campers attending MUST have a parent submit an electronic waiver or they will not be allowed to raft. The waivers will be sent via email. The expected return time is 7:00 pm but that can vary greatly depending on multiple factors. Campers will call from the bus once rafting is completed to give you a more accurate ETA.
